

# Bear Jam

曲: Sunny Yuen

詞: Polly Fu

Was it all my fan- ta- sy?

How I won-der where you are?

How I longing for you, lovely bear!

We are looking for you, teddy bear!

In my prayer, in my dream, in~

my wish,

let~ us~ meet you, oh my bear!

Just when Bear Jam dream come true, how can we meet again, teddy bear!
